

Take My Word For It – It's Love

Love and Romance Survey

July 2013

This *Love and Romance Survey* has grown out of dinner party conversations which were enormous fun. I have always been amazed at how surprised and then enlivened people become when discussing Love and Romance over dinner.

These 20 survey questions have been tested and tried. It should never be part of the plan to allow anyone to feel uncomfortable — injecting a bit of humor is essential. So if anyone is not responding happily, add a bit of nonsense to make things a little lighter and move on to the next question.

This Survey's only purpose is to make people think a bit more and maybe try a little harder to be their most romantic self, and to attract more Love and Romance into their life.

1. What is the most romantic thing that has ever happened to you?

2. What is the most romantic thing that was ever said to you?

4. What is the most romantic thing a man can do?

5. What is the most romantic thing a woman can do?
